

CHRISTMAS AND NEW YEAR COURSE WITH LUCIA GAHLIN

The Tomb of Seti I: the most splendid tomb in the Valley of the Kings

What better way to spend this Christmas and New Year than in the company of fellow Friends of the Petrie Museum, and what better place to spend it than in the tomb of the glorious 19th Dynasty pharaoh Seti I. This tomb is arguably the most spectacular in Egypt's Valley of the Kings; it is decorated in exceptionally fine-quality raised relief, characteristic of this pharaoh's reign.

Join us to explore the design of this tomb within the context of royal tombs in the Valley of the Kings; to examine its decoration within the context of Ancient Egyptian funerary belief and practice; and to consider its discovery, conservation and recording since 1817.

Zoom with us this Christmas as we explore this fabulous tomb!

8, 15, 22, 29 December & 5 January.
